

Player Development Program (PDP)

The PDP is a one hour family consultation with Club Director of Player Development , Jamie Huff. In this one hour session Coach Jamie will guide the player on how to navigate through their club soccer experience moving toward high school and college. He will help develop a plan for setting and achieving goals. You will receive a 30 minute on field evaluation, establish baseline numbers for confidence and injury prevention, and foster the players enthusiasm for their future from the KickStart program through graduation.

Coach Jamie comes to United F.C. with a vast knowledge and world wide experience within the game of soccer.

"Soccer is a team sport and while team chemistry is a huge factor for success, nurturing technical skill and confidence is critical. It is my goal to educate and enlighten the player and family on how to maximize their club experience. An individualized program will be created to help each player reach his/her potential." - Coach Jamie Huff
